TICK BOX

I understand that Staff will sometimes come within the 1 meter rule to be able to serve me.

TICK BOX

We encourage all customers to regularly sanitize their hands.

TICK BOX

All Staff members will have performed a Safe to Work Protocol. A risk assessment has been carried out and filed with the local council. We will endeavour to provide a safe environment for customers and staff. Whilst as a company, we will provide face coverings for waiting staff and encourage the use of them, we cannot enforce this rule in the work environment.
